As most of you are aware homecoming week is coming up soon. We are going to be having a float again this year and there is no reason we should not win the float design contest again this year. This year the theme of our float will be Disney princesses. Everyone who is participating in the float parade will need to give Ninveh $5.00 for material for the Minnie Mouse costumes she will be making. If you are a princess and have not contacted ninveh to make you costume, you either need to rent it or talk to her ASAP. She will be leaving for Thanksgiving and will not be able to work on them. I will also give info at the meeting to let you guys know days and times to work on the float.

**HERE IS THE WEEK AND DRESS CODE:**
